**The ARK Project:
A Godly ARK Needs a
Crew Who Believes God**

Ronnie E Cooper,
President and Director

This message continues the call for help at ARK. Brenda and I are slowing down and focusing our work. As of the May, 2007 meeting, we need to know who the crew will be. I am reminded that Matthew, Luke, Hebrews, and Peter all warned against the time: as the days of Noah *were*, so shall also the coming of the Son of man be.

Noah preached repentance and walked with God. He also built an ARK against the coming flood. We don't need to build an ARK, Christ is our ARK. The ARK is the reminder to the present age of the failure of the past age to believe God. We don't have 120

years. The calling of the ARK Project is to call this present world to the truth of the Bible. It is getting harder and the "laborers are few."

We continue to need volunteers, but have had some success. The Collins' are going to do the "Time Machine" trailer ministry. More about them inside. I plan to maximize the impact of ARK by continuing to organize volunteers and do projects myself.

Our last issue identified 54 individual responsibilities that should be covered with 12 to 54 volunteers. There are additional opportunities, if you can take charge. Please pray for us to use our time wisely. Our focus is children, but we cannot ignore their parents or grandparents. Nor can they ignore their children without suffering the same penalties as Noah's generation,

increased violence and unbelief.

Many people need missionary support - for instance, the Collins do. Please prayerfully consider what you can do -- time or money donations. We also welcome comments.

Please read further details on future ARK Crew inside this newsletter.

ARKY's Bookstore is expanding.

Crafts are now available. Included are pictures, pillows, wall hangings, lace items, doilies, soap bottle aprons, toilet paper covers, etc.

In total we have four rooms of different craft items in addition to the gift store and the bookstore. We would appreciate you telling others and coming by yourself!

ARK speakers teach Biblical principles about creation and what true experimental, observable, repeatable, falsifiable science shows. For the past 9 years Brenda Cooper has been doing crafts and donating all proceeds to ARK. The craft store she has been in lost their lease and closed recently. She has an extensive inventory: over 1,000 handmade note cards, hundreds of pictures, wall hangings, pillows, wreaths, and other items.

This is a unique opportunity to buy crafts that were reasonably priced at discount and help ARK at the same time. We want to do some additional advertising, but of course, you telling your friends, relatives and co-workers is best. We also want to have additional hours. If you like crafts, call for times and come often for seasonal items.

Who Are We

The Ark Foundation of Dayton, Inc.

We are a non-profit organization set up to Educate, Train, Encourage and Assist All People To Understand How Great Is Our Creator & Designer—God.

We are organized to affect the public dialog on issues of science and religion in our community. We concentrate on presenting information and assumptions behind the two major worldviews with their weaknesses and strengths. Our standard is that the Bible is correct, not like the changing scientific community. We see true science in accord with the Bible, instead of fitting the Bible into the constantly changing Scientific Dogma.

Statement of Faith: We believe in the Word of God as stated in the Bible to be literal in context or as interpreted by itself. Specifically we believe the Genesis account of a seven (6 work + 1 rest) day literal creation week, death coming as a result of Sin, a global flood, and the Hope of the Resurrection. We believe Biblical Truth first, scientific theory second, especially since it defines itself as always changing. We believe good science flows from an honest understanding of Biblical Truth and in questionable areas is a servant of the Bible. We believe God is who He says He is and are committed to exposing these truths to the general public.

Mt 24:45-46 *Who then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season? Blessed is that servant, whom his lord when he cometh shall find so doing.*

Articles of Incorporation

The ARK Foundation of Dayton, Inc.

The purpose or purposes for which this corporation is formed and organized is exclusively for charitable, religious, education and/or scientific purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986 (or corresponding provisions of any future United States Internal Revenue law), including for such purposes:

To promote, educate, train, encourage, support and assist all people to understand the institution of the family, and its proper role, the importance of the church to past, present and future public good, the need and value of supporting good government, the wonder and design of the creation and the value of that knowledge and the value of a Godly education.

We Desire

1. To recognize the public good as defined by our founding fathers in Biblical principles. We need and value those sources of our Freedoms. We assist all people in a knowledgeable understanding of the important historical heritage we have.
2. To teach and promote the public good of historical truth from our ancestors and from our Creator God of the design and wonder of a Godly education on family, church, government.

Poem - Author Unknown

After discovering what one is made for, he or she should surrender all the power in their being to the achievement of this.

She should seek to do it so well that no body could do it better. He should do it as if God Almighty called him at this particular moment in history for this reason. This is what a person's life is.

Wisdom Words

Proverbs 1: 7 ¶ The fear of the LORD is the beginning of knowledge: but fools despise wisdom and instruction. 8 My son, hear the instruction of thy father, and forsake not the law of thy mother:

Proverbs is written to individuals, but it defends believing families. We grow from trained children to parents who train our children, who grow... Wisdom is an option that is encouraged in this cycle. Wisdom does not depend on what we know, but on fear that exceeds all others. It is a good fear. All other fears are as nothing in comparison. We can then focus only on believing and practicing God's instruction. This is how we become effective instructors in our family.

A Now Usable Opportunity

Our 10 seat special effects theater trailer has a team for use with children's programs. Ray and Tammy Collins have volunteered to keep it on the road all summer. This will be their job and free will offerings is how they will survive. We need people and money who will help them maintain it and to develop programs for it.

And we need bookings. Actually, their contacts have started booking it. We just need the resources to get it on the road. They are also doing Child Evangelism Fellowship ministry, so they expect a full schedule.

If you would like to give specific support, just let us know. They are working as part of ARK.

Tips from

5 Essentials for a Winning Life

The World may not acknowledge it, but their wisdom is Biblical

FITNESS: Give 100 percent, Mt 13:44 (for the Kingdom); Prevent illness, Gen 5:2, God Blessed Man and gave His design to live in blessings until death; Speed it up, Heb 12:1, let us run with patience the race that is set before us.

NUTRITION: Cut the clutter, Gen 1:29, Eat the fruit of trees with seeds and every green plant and of the clean animals, but not unnatural, artificial foods; Eat sugar...at the right time, Nu 13:27, it *is* flowing with milk and honey (natural sugar) and Isa 5:20, Woe *to* those saying to evil 'good'; Consume more fiber, Nu 13:26, the fruit of the land, i.e., all the fruit, not processed pieces.

CAREER: Be fit, De 31:23, Be strong and courageous; If you exercise before work, eat first, 1Sa 14:29, See, I pray you, that mine eyes have become bright because I tasted a little of this honey; Position your [training] clothes, How we are clothed is a reflection of what we are prepared to do, whether war or fine dress or work.

RELATIONSHIPS: Get your kids into exercise, Pr 20:11, Even by his actions a youth maketh himself known, Whether his work be pure or upright (work is good exercise); Pick the right people, Pr 12:15, The way of a fool *is* right in his own eyes, And whoso is hearkening to Counsel *is* wise; Avoid these foods, Le 7:23, Speak unto the sons of Israel, saying, Any fat of ox and sheep and goat ye do not eat; Le 7:24 and the fat of a carcass, and the fat of a torn thing is prepared for any work, but ye do certainly not eat it;

HEALTH: Get tested, Mt 9:12, And

Jesus having heard, said to them, 'They who are whole have no need of a physician, but they who are ill' (in a fallen world, we must check); Take vitamin supplements, Ps 105:16, And He calleth a famine on the land, The whole staff of bread He hath broken (again our fallen world does not use the whole of our food and supplements are advisable).

Leadership Lessons

of Larry Bird

1. Surround yourself with good people and good things always happen.
2. If they love what they're doing, they'll love their jobs.
3. Believe in your Team.
4. Hide your weaknesses, play to your strengths.
5. Winning is Important.
6. Make sure everyone is on the same page.
7. Make choices based on what is best for the team.
8. It's all about preparation.
9. Your staff is depending on you.
10. The bottom line is what your fans want.

For sports fans these principles of Larry Bird (basketball star/manager) makes a lot of sense. For Christians, the principles are valid when we understand the team is the Church and our best fan is God and the angels. Jesus is our strength and the pages are in the Bible! Be prepared; Be disciplined! There is no alternate plan.
